**S P O N S O R S H I P**

Through the generous support of our sponsors over the last few years, we have been able to offset the rising costs associated with the reception portions of our program and increase our sponsorship program for aspiring students in the industry.

The organizing committee is asking for your continued support. Your donation will be acknowledged with colour coded badge markers and an event sponsorship display board in accordance with your donation as described below.

The success of these events will depend on your contribution, so please be generous when completing the support response form below.

THANK YOU! Alan Humber - PACWEST 2010 Co Chair – Ideal Welders
